Parks of South Africa Safari

Briefing:

The safari concentrates in the Northern South Africa region which is ideal safari country, the area consists of some of the best and wildest game reserves in Africa. Seeing the vastness and unspoilt beauty of the wild areas in South Africa is a truly humbling and memorable experience. Although some of the trails certainly require 4x4 vehicles, prior 4x4 driver experience is not essential and either a briefing prior to departure or guidance will be provided on route (self-drive only).

Guided - The guide is experienced in over-lander travel, logistics, group management and has very good ecological, cultural and historical knowledge.

Three wholesome meals are served per day and most catering and washing duties will be handled by our guide/team. The safaris are semi participation so some assistance with camp duties is appreciated. Accommodation will be in rustic tents, roof tents or lodges where applicable which will be in comfortable chalets or lodge tents. Bedding in the form of sheets, sleeping bags and pillows is supplied with the vehicles along with all the other necessary camp equipment. Where your own vehicles are used we can also supply bedding and camp equipment where necessary. The full menu can be forwarded to you for approval prior to leaving. Dietary restrictions will also be required.

Vehicle Specifications:

We can provide alcoholic drinks that will be charged separately. Each vehicle has a fridge that we can stock with the requested drinks.

Toyota Hilux 2700i DC 4X4 Camper

Parks of South Africa Proposed Itinerary

DAY 1 (20 - 250kms) - Pilanesburg Nature Reserve

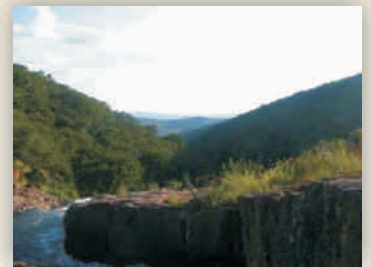

You are met at the airport by the Diesel guide/s and transferred to our offices where a discussion about the trip and introduction to the vehicle will take place over a cup of coffee or refreshments of your choice. We travel North West across to the Pilanesburg National Park, which is set in an old volcanic crater. There is very good game viewing and comfortable facilities in the camp site.

DAY 2 (20 - 250kms) - Waterberg Wilderness Reserve

We move across to another area of the Waterberg. While the Pilanesburg is one of the more commercial game parks, this area is completely different and we have the whole area to ourselves. Included is a guided walk through one of the beautiful gorges.

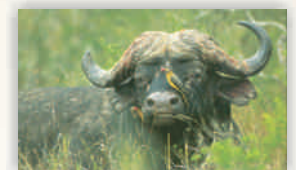

Accommodation: Luxury Tents.

DAY 3 (700kms) - Blyde River

After an early morning game drive and English breakfast we continue East towards the Blyde River, visiting some of the popular attractions of this area en route to the lodge.

Accommodation: Lodge

DAY 4 - DAY 6 - Kruger National Park

The next 3 days are spent in the Kruger National Park, South Africa's premier game reserve and one of the best and most famous in the world. The Big 5 occur in large numbers and we will concentrate on central Kruger, but it can change depending on availability. During your stay you will have a night game drive and a game walk.

Accommodation: 2 Nights camping, 1 night lodge

DAY 7

We travel back to Johannesburg

Please Note:

The route can be changed slightly to include the alternative options mentioned on the itinerary. The guide may also recommend changing the route due to game movements, water shortages or road closures. It is possible to reduce the trip to 14 days and the option to fly out of Vic Falls can be accommodated.

General Conditions:

- * The price excludes conservation fee of R120-00 per person per day in the Kruger National Park, but includes all camping and accommodation fees.
- * We require a 25% booking deposit on guided self drives and a company order (corporates only) to confirm a booking and the balance to be paid prior to or at vehicle handover. On Self drives we require the standard 20% booking deposit.
- * Cancellations with less than 60 days notice would result in a loss of the full booking deposit.
- * Drivers will be required to have valid drivers license and be over the age of 24 years. (Self-drive only)
- * Advanced booking essential in all parks.
